

# Year 4 Spring Term 1 Home Learning

We would like you to complete as many of these home learning tasks as you can before the end of half term.

You can bring them in when you complete them or all at once.

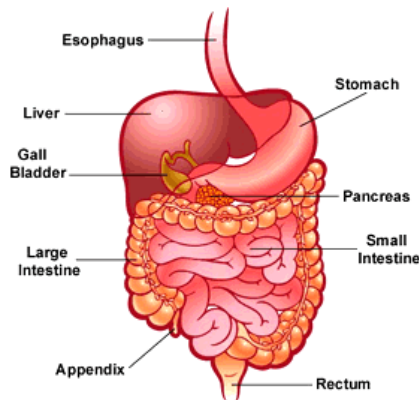

## What does our digestive system look like?

Create a 3D model of our digestive system.

## How does it all work?

Create a fact file on the human digestive system.

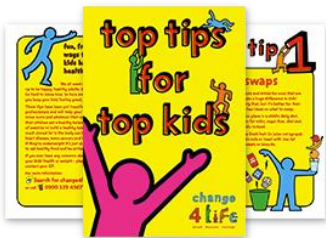

## How are our bones useful?

Find out who studies bones and what we can learn.

## How do we live the good life?

Make a leaflet including a meal plan for healthy living.

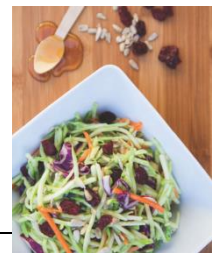

## Read for 15 minutes daily.

## Can you Make a healthy dish?

Find and follow a healthy recipe  
Take photos and record your method.

Pretend that you have arrived in a human stomach. Write a story about your journey.

Write a song, poem or rap related to the Human body.

**FREE CHOICE!**  
*Show us something that you have learnt this term!*
