

We would like you to complete as many of these home learning tasks as you can before the end of half term. **When you bring in your home learning, your achievements will be celebrated. Please see the box near the bottom to see how we will do this.**

English		Maths		Other Subjects	
	Create a collage and fact file of a bird or insect.		Use a shopping receipt to add up the decimal numbers and work out the change.		Science: Observe or create a poster on the changes a bird goes through in its life cycle.
	Create a persuasive leaflet about visiting a wildlife habitat like the Walthamstow Wetlands.		Create a poster on how negative numbers are used in real life.		Geography: Create a postcard of your favourite coastline, explaining what geographical features it has.
	Write a character description of a mysterious creature you find in your home.		Measure your hand, foot and height in metric and imperial measures.		History: Write a poem about a significant Viking raid or King.
	Turn a dream you had into a story. Remember to include detailed descriptions and figurative language.		Find 10 food and drink items in your kitchen. Record their mass in g and kg or volume in ml and litres.		RE: Create a powerpoint featuring information about a religious place of worship of your choice.
	Our story covers the Greek myth of Persephone - make a comic strip of her story.		Create your own arithmetic challenge.		Use Google SketchUp to create a self portrait.

How we will celebrate your home learning achievements

Some of the ways in which we recognise home learning achievements a

- Through classroom display
- Published in the newsletter
- By gaining home learning bingo stamps - a minute per line!

Additional Home learning

- MyOn for your reading.
- Times Tables Rockstars for your times tables.
- Sumdog for your Maths.
- Spelling Shed for Spelling.

Reminders

Children are expected to read every day for **15 mins**.
Practise your weekly spellings on Spelling Shed.
Bring your AR reading book **every day**.
