Dear Parents and Carers,

First of all:

Congratulations to Year 6 who achieved their best results ever!

We are so proud of our departing Year 6 children. Provisional results show that **77%** of our children were at or above the expected standard in Reading, Writing and Maths. This is a whopping **16 percentage points** above the national average of **61%**.

Our Year 6 pupils worked exceptionally hard and their results are well deserved. We will miss all of our pupils and we wish you all a successful time in secondary school.

Now that we are at the end of a very busy year, it is time to share our thanks and appreciation to a number of wonderful people who will be sadly leaving us.

Good luck to:

Everyone at Welbourne wishes them the best of luck in the future.

Please be assured that we are fully staffed for September and I will share some welcomes in the Autumn term.

I hope that everyone is well, you have some enjoyable time with your loved ones, and that you have an exciting summer ahead.

Mr R. Lane

Together we learn. Together we succeed_

Our Year 4, 5, and 6 musicians made us incredibly proud with their performance at Alexandra Palace's East Court last week. They showcased all they had learned in their violin, trumpet, and clarinet lessons in a spectacular concert, performing alongside children from other Haringey schools.

Bikeability Success in Year 5 and 6!

Last week, a group of our Year 5 and 6 pupils participated in Bikeability cycle training. This program equips children with vital life skills, teaching them not only how to cycle safely but also fostering independence, social skills, and a sense of wellbeing.

We're proud of these pupils for embracing this opportunity and look forward to seeing them cycling to school or around the community.

Y Year 6 Concert & Farewell

On Tuesday, our amazing Year 6 pupils performed their end-of-year concert: *Bugsy Malone*! They are a talented group of actors, singers, and dancers, and put on a fantastic performance for parents, staff, and children. This month, we bid farewell to our Year 6 pupils. Throughout their journey, they have shown resilience, teamwork, and determination. As they step towards new adventures in secondary school, we encourage them to embrace every challenge and opportunity. Congratulations and good luck!

Summer Reading Challenge

This year's Challenge theme, Marvellous Makers, is all about creativity. From dance to drawing, junk modelling to music, there's something for everyone! Children will be able to find new reads linked to their favourite creative arts, and access free activities at the library. You

can join the challenge online or at the library. Click on the poster to go to the website.

Don't forget you can read on <u>myON</u> too.

🏧 Summer Fair

Our Summer Fair was another wonderful community event this month. The Friends of Welbourne, along with many staff members and pupils, volunteered their time and resources to create an unforgettable afternoon of music,

dancing, food, and fun.

Thank you to everyone, particularly our young entrepreneurs, who contributed to making this year's fair such a success.

Attendance & Punctuality

Attendance has varied throughout the year and we still need to work on ensuring every child is in school learning so long as they are well enough.

Huge congratulations to Seine class for their excellent punctuality this month and this year. Please keep up your efforts to improve attendance and punctuality in all year groups.

Wellbeing Corner

Summer holidays are a great time to build your wellbeing with more freedom and (hopefully) great weather. Researchers from the University of Cambridge suggest these 10 tips to maximise your summer:

- Take time out: Decompress rest and
- Build a routine: Establish balance and structure. Go for a walk each morning or read a chapter of your book each afternoon.
- 3. Get active: Boost mental health by staying active.
- **Prioritise sleep:** Aim for 8-10 hours
- 5. Stay connected: Make meaningful connections. Meet with friends or join a club.
- 6. Try a digital detox: Reduce screen time.
- Share your thinking: Communicate effectively.
- Break work down: Manage tasks 8. weekly.
- 9. Be kind to yourself: Celebrate your progress.
- 10. Talk to a professional: Seek support if needed. There are lots of great websites and services out there which can help support you/provide further information. This includes YoungMinds and Shout.

Enjoy your summer!
