

Parents' Forum Coffee Morning

Welbourne Primary School 30/09/24

- Will school streets and cars be coming soon? The consultation concluded in August. We await the outcome from the local authority.
- What can we do to reduce anti-social behaviour in the local area? If you see anti-social behaviour please report it to the Police. The school works closely with the safer neighbourhoods team when local concerns are raised.
- Can we complete a street clean? This is a good idea! Given the regular fly tipping that the school reports outside, this could be a good way to gain some support around an important local issue.
- Are children allowed to have seconds during lunch? Sometimes it is difficult to give seconds as the caterers must ensure all children have eaten. However, it is sometimes available for the last class to come into the dining hall. If you have concerns about portion sizes, please speak to someone on the gate or share your concerns with admin@welbourne.haringey.sch.uk
- Parents for whom English is their second language need family support. Please clarify what support would be preferred. If the support regarding translation is required, please let the office know and we can work with you to get the support that you need.
- I understand that Welbourne encourages a 'No Winner' policy in sports. However, in real life all sportsmen are trying to win competitions and tournaments. It will be better to organise a more balanced competitive day such as sports days and maths competitions etc. So far my kids are not trying to be better in anything because they think they are winners already. Our aim is for pupils to develop a love of physical activity and to make good habits for their lives after primary school. While there is currently less focus on competitive sport, KS2 football teams will soon have the opportunity to play games against other schools.
- Can Welbourne do fun activities on Saturdays and Sundays please? I agree that this would be a great thing to do, especially after the success of our farm day! It would not be reasonable to expect school staff to spend their weekends at school. However, we can be available for lettings. If you know of any groups that might be interested we are happy to hear from you.

Some questions were a little tricky to read, and if you feel that yours has been missed and you attended the coffee morning, please do not hesitate to contact us.
