

Welbourne Children's Centre and 2's Nursery Newsletter

January 2025

childrenscentre@welbourne.sch.uk

Dear Parents and Carers,

Firstly, a big welcome back to all our families, we hope you all had a well rested Christmas break.

We have some new children settling into the Nursery this week as well as returning children from the previous term. Please see below for key information in regards to your child's morning in the Nursery and what that looks like.

Please do dress your child in appropriate clothing for the weather; we are currently experiencing some cold January weather so please provide warm clothing, e.g. hats, scarfs and gloves for your child. Outdoor play is encouraged during the winter months to continuously develop children's physical, social and emotional needs.

Please ensure your child has the necessary supplies of spare clothes, nappies and wellies. Children should have their names clearly labelled in their clothing.

You may have also noticed a new feature by the Nursery door that includes a selection of books for your child to choose and read at home. Please speak to the office who will sign your chosen book out for you.

Tapestry is an online journal for parents and carers to follow their child's progress with their learning. Please speak to your child's key worker if you experience any difficulties logging in.

Use of Photographic Images

Below is a link for a parental consent form which gives the Nursery/CC permission to use images of your child for publications, displays and on the Children's Centre instagram. Even if you do not want photographs of your child shared - please complete the form.

Two's Nursery Team
Together we learn. Together we succeed

Learning can be messy!

We encourage as much exploratory play as possible.

Please dress your child in comfortable clothes that are practical and you don't mind getting a bit messy.

Nursery Rhymes of the Month

Please click on the picture links below to access the three Nursery Rhymes of the month to sing-a-long and learn with your child at home.

Pupil Attendance and Punctuality

Establishing regular routines for your children at an early age is extremely important. It will benefit both you and your children as they progress through their school life.

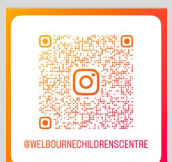

If your child is absent due to sickness, please do call us at the Children's Centre office.

Dates for your diary...

- **Nursery Half Term - Monday 17th February - Friday 21st February 2025**

Book Recommendation

by Shirlana

Yoga Babies

'It's a fun way to get children moving and to increase their flexibility. I love the illustration and storyline'.

Meet the yoga babies! Family life's hectic, but yoga helps everyone chill out, from Emily in the garden to Honey at bathtime. And once you've seen what the yoga babies can do, why not give it a try?

Festive Fun

We had some wonderful festive fun over the autumn term. We were joined by Captain Fantastic who got us all up on our feet dancing and singing. We played parachute games and had fun catching a flurry of snow and bubbles!

A big congratulations to our raffle winners, and all our families who received a 'winter warm' gift of hand warmers, socks, flasks and hot chocolate.

A special thank you to Laura North from National Energy Action for not only providing energy saving and keeping warm support to our families, but for also funding the event and raffle prizes.

Feeding Support

Free support with feeding your baby in Haringey

We can support you with your feeding choices from pregnancy and newborn to weaning. We offer free face-to-face and online support.

Donations

If you have any old clothes you can donate, this will be much appreciated - in particular trousers, sock and spare wellies.

If you have any items borrowed from the Nursery at home, please return them to help replenish our stock.

Thank you for your cooperation and support.
