

We would like you to complete as many of these home learning tasks as you can before the end of half term. **When you bring in your home learning, your achievements will be celebrated. Please see the box near the bottom to see how we will do this.**

English		Maths		Other Subjects	
	Create a fact file about your favourite animal.		Create a guide on multiplying a 2 digit number by a 1 digit number.		Science: How many different magnets can you find at home? Create a poster of their uses.
	Record yourself describing a type of monkey.		Measure the length of some objects around your house (if you don't have a ruler you can use non-standard units).		Geography: Research a city other than London. Share your findings on a poster, leaflet or fact file.
	Invent a story all about the Ancient Egyptians.		Create number lines counting in fractions.		History: create your own civilisation, explaining how they lived and where they settled.
	Write a non chronological report about your day.		Whilst cooking, think how food can be made into fractions.		PSHE: Cook your favourite healthy meal with your adult.
	Create a 'How to guide' about using apostrophes.		Create a times tables song for the times table you find the trickiest.		RE: have a discussion with your adult about what festivals and events you might celebrate at home.

How we will celebrate your home learning achievements

Some of the ways in which we recognise home learning achievements are

- Through classroom display
- Published in the newsletter
- By being recognised on the board, being given a raffle ticket or a positive note!

Additional Home learning

- MyOn for your reading.
- Times Tables Rockstars for your times tables.
- Spelling Shed for Spelling.

Reminders

Children are expected to read every day for **15 mins**.
 Practise your weekly spellings on Spelling Shed.
 Return your reading book to school on Thursday.
 Practise times-tables for 15 minutes each week.
 Bring your PE kit on Monday and Wednesday.
