

Year 5 Summer 1 Home Learning

We would like you to complete as many of these home learning tasks as you can before the end of half term. **Those in bold must be completed as requested by your teacher.**

English		Maths		Other Subjects	
	Write a book review for a book you have read. (Remember to use the 5Ws.)		Create a fraction wall showing the links between fractions, decimals and percentages.		Science: Record the phases of the moon to create your own moon diary.
	Create a poem on a topic of your choice to perform in class.		Research Euler's rule, providing examples of different shapes.		Geography: Research plastic pollution in the ocean.
	Design a poster explaining different poetic features.		Write a riddle about a shape or type of angle using key vocabulary.		History: Present a video about Viking artefacts and what they show us about Vikings.
	Use the spellings for this week to create a story.		Create a pattern using translation.		RE: Create a poster using images and slogans showcasing Christians values and beliefs.
	Design a recipe card for what makes a good friend.		Measure your hand, foot and height in metric and imperial measures.		Create a piece of artwork which uses geometric shapes.
<p style="text-align: center;">- How we will celebrate your home learning achievements</p> <div style="display: flex; justify-content: space-between; align-items: center;">  <div> <p>- Some of the ways in which we recognise home learning achievements are:</p> <ul style="list-style-type: none"> - - Through classroom display - - Published in the newsletter - - Raffle tickets and positive notes. </div>  </div>
