

# Year 2 Autumn 1 Home Learning 2025

We would like you to complete as many of these home learning tasks as you can before the end of half term. **When you bring in your home learning, your achievements will be celebrated. Please see the box near the bottom to see how we will do this.**

English		Maths		Other Subjects	
	Practise your handwriting every day. See how it improves over the half term.		Create a place value poster using numbers and pictures.		Science: Look around your house for different materials. How many different materials can you find?
	Draw and describe your favourite character from a story.		Practise using greater than, less than and equal to using objects around your home.		Geography: Make a fact file about a continent.
	Write your favourite part of a traditional story such as 'The Three Billy Goats Gruff'.		Practise counting on and back in 1s, 2s, 5s and 10s to 100.		Science: Make a model of the planet Earth using lots of different materials.
	Draw and describe yourself as a superhero and describe your super power.	Seventy seven  77	Learn how to read and write numbers up to 100.		Write and perform your own song about the 'The Oceans and Continents'
	Write a song, poem or rap about a traditional fairy tale.		Make a step-by-step guide about how to add and subtract on a number line for younger children.		Art: Create a piece of art using primary and secondary colours.

## How we will celebrate your home learning achievements

Some of the ways in which we recognise home learning achievements are:

- Through classroom display
- Published in the newsletter

### Additional home Learning

- MyOn for your reading
- Spelling Shed

### Reminders

Children are expected to read every day for 15 minutes. Practise reading and writing your sight words each week. Remember to wear your PE kit on Monday and Friday. Return your reading book to school by Wednesday.
