How do I report a concern?

You can approach any member of the Safeguarding Team and mention that you are concerned for the safety of a child. If you do not feel able to approach the Safeguarding Team directly, then please speak with any member of staff – they will know how to follow up on your concern. You are also able to email any concern directly to safeguarding@welbourne.haringey.sch.uk - members of the designated safeguarding team have direct access to this account and will follow up on all concerns in line with our safeguarding policy.
