

Reception Spring 1 Home Learning

We would like you to complete as many of these home learning tasks as you can before the end of half term. **Those in bold must be completed as requested by your teacher.** Home Learning on paper can be brought into school. Please take pictures of any practical activities or models that you make and **upload them onto Tapestry.**

English		Maths		Other Subjects	
	Perform / act out a favourite story that you have read.		Listen to the planet song. How many planets are there? https://www.youtube.com/watch?v=mOrigH97v94 Can you remember some of their names?		Imagine you are going on a journey to space. Write down 5 things that you would take with you. Use your phonemes (sounds) to help you write.
	Listen/read the story 'Aliens Love Underpants' and design some new underpants for them. https://www.youtube.com/watch?v=ADnAGBwIzqE		Draw and cut out some 2D shapes. Can you make a collage of a rocket? Can you name the shapes that you have used (e.g. I used a circle, square, rectangle and triangle).		Draw an alien you would like to create. Then make an alien using materials found around your home.
	Make a rocket using a variety of materials around your home. Label it or write some sentences about it. Remember to use your sounds.		You are on a rocket ready to launch off into space. Practise counting down from 20 to 1 and blast off! Upload on to Tapestry.		Find out about Guion Bluford. Make a poster to share what you have learnt. https://www.youtube.com/watch?v=i1clBIPCQsY
	Watch Story Bots Outer Space. Write down at least 4 facts that you have learnt. https://www.youtube.com/watch?v=ZHAqT4hXnMw		Hide the rocket that you made. Can you explain how to find it using positional language, for example 'The rocket is <u>under</u> the table'.		Can you sing along to the space Astronauts! Children's Song - Kids Space Adventure Bounce Patrol https://www.youtube.com/watch?v=HSYaEBcl8xI&pbjrlload=101
	Write some words or captions about an alien. What does it look like? Remember to use your sounds.		Create some number bonds using numbers from 1 to 10, for example $8 + 2 = 10$.		Go on a cosmic kid's yoga adventure with Jo. Copy Jo and her friends exercising on the moon. https://www.youtube.com/watch?v=v9W8iV4AJYQ

How we will celebrate your home learning achievements

Some of the ways in which we recognise home learning achievements are:

- Through classroom display
- Published in the newsletter

Websites to support pupils' learning

Blending words

<https://www.youtube.com/watch?v=pqddT5Z1uVo>
<https://www.youtube.com/watch?v=ODmMQF3ByZl>

Tricky words phase 3

<https://www.youtube.com/watch?v=R0871YrRpgY>

Reminders

Children are expected to read every day at home. Practise writing your tricky words and forming letters and numbers correctly. Please return your reading books to school on Thursday's.
